BACHELOR OF HOMEOPATHIC MEDICAL SCIENCE (Hons)

KPT/JPS(R/721/6/0047)06/19 (A9621)

Homeopathy is a system of traditional and complementary medicine proposed in 1796 by Samuel Hahnemann, a German physician, based on his doctrine of "like cures like" (*similia similibus curentur*). It takes a holistic approach to managing health and curing illness with the aid of natural substances.

Accreditation and Recognition

The Bachelor of Homeopathic Medical Science (Hons) is the first and only programme of its kind in Malaysia. Approved by the Ministry of Higher Education and fully accredited by the Malaysian Qualifications Agency (MQA), the programme meets the requirements of the Ministry of Health and the Malaysian Homeopathic Medical Council (MPHM).

Designed with an integrated approach towards education and health, this programme is in line with the Ministry of Health's efforts to gradually integrate Traditional and Complementary Medicine into the government and private healthcare sectors.

Teaching, Assessment and Clinical Training

Teaching is conducted by a panel of experienced educationists and homeopaths. Most lectures are conducted in a modular structure and students are engaged with assignments, examinations, independent learning and laboratory activities. Clinical and industrial training is conducted with a reputable international partner institution.

OUR STUDENTS

"I found it very meaningful to study Homeopathy. Its principles and approach to medical treatment is very comprehensive and the clinical training exposure is well planned. This is a very fulfilling career option for me and has given me a strong professional purpose", **Chong Cui Ying, B.H.M.S, Graduated 2015. Dean's List and Winner of Homeopathy Gold Award.**

"Homeopathy taught me to view a patient's illness in a holistic manner and to adopt an equally holistic approach to treatment. We are though the medical sciences behind various illness and what causes it. Then we are introduced to how natural substances have a unique effect on various symptoms as a treatment." **Mohamad Sheriff, B.H.M.S, Graduated 2015.**

"I like the B.H.M.S programme at CUCMS as it is very comprehensive. The curriculum gives me the opportunity to learn both clinical aspects of diseases and their homeopathy management. It's clear from the very start that the university has considered the needs of practitioners and encourages and equips graduates to open their own practice or clinics", **Fauziah Tahib, B.H.M.S, Current student.**
